## *Toruńskie Wódki Gatunkowe*

*is a production plant where alcohol has been made with passion for over 140 years.*

*Products' high quality level is backed with traditions and experience of generations of Toruń vodka masters. Selected ethyl alcohols, natural ingredients, recipes based on traditions and own underground well water 220 meters deep give our vodkas and liqueurs a refined taste.*

Our factory is located in Central Poland in Toruń. It is a town with Gothic architecture, included in the UNESCO World Heritage List, and a native town of the famous astronomer Nicolaus Copernicus. Also it is known for its traditional gingerbread cookies.

# WHAT WE DO

## BOTTLING

We develop our own recipes, based on natural ingredients, and bottle straight vodkas, flavored vodkas, liqueurs and high-quality spirits.

## LABELING

With the help of Master Designers and our Graphic Team we design and print labels and stick them to bottles.

## PACKAGING

We offer our clients personalized packaging with full printing on a professional UV printer

# WHAT MAKES US STAND OUT

## Polish products

Our grain and potato spirits are made from raw materials delivered by Polish agricultural distilleries.

## Materials quality

We select only high-quality materials and monitor their quality at our suppliers.

## Original recipes

Created on a basis of rich experience to obtain original and unique taste.

## Our macerates

Fruits, herbs and spices macerates we prepare ourselves to reach an outstanding charming taste of our products.

## Professional equipment

We have a 5-column rectification apparatus manufactured by Mussi in Italy that is unique in Europe.

## Deep water intake

We have our own underground well with water that chemically and organoleptically corresponds to premium alcoholic drinks production.

## Authentic packaging

Well-designed bottle patterns and original labels give our products an eye catching style.

# WHAT FLAVORS WE OFFER

## POTATO VODKA

37,5% / 40% VOL.

---

Potato vodka is produced using potatoes as a main ingredient. The taste of this vodka is delicate and velvet with a slightly sweet potato aftertaste. Its history goes back to Medieval ages when vodka production was common in Polish countryside. Nowadays potato vodka becomes more and more popular in Poland and abroad.

## GRAIN VODKA

37,5% / 40% VOL.

---

Grain vodka is mainly made from cereals such as wheat, rye, barley or corn. It has delicate clean and neutral taste with subtle grain notes that make it an ideal drink for mixing in cocktails or drinking straight.

## „HOOCH” VODKA

37,5% / 40% VOL.

---

Polish hooch (or moonshine) is a traditional strong distilled alcohol made basically from potatoes or other available agricultural raw materials. The taste of this drink is raw and intense with a distinct potato or fruit note depending on main ingredients and distillation type. This drink is deeply rooted in Polish culture and is very popular among alcohol connoisseurs from abroad.

# OUR PRODUCTS AND BRANDS

Our portfolio of alcohols is still expanding, following the trends.

The Torunska line is led by Torunska Potato, which is our flagship product. There is also a line of craft products including Polish Slivovitz and Homogeneous Vodkas.

The offer is completed by premium brands such as: **RETMAN, 1233 Anno Domini.** All products are distinguished by high quality – it is not only the original design of the brands, but especially their unique taste.

# RETMAN

The history of the Vistula River is rich in rafting tradition and trade and dates back to the Middle Ages. Trade and rafting were managed by a rafter (Retman in Polish) who guided ships along a safe passage. Inspired by the past, we created two unique straight vodkas of 40% and 50%
