WHY OUR ALCOHOL?

TORUŃSKIE WÓDKI GATUNKOWE IS A DISTILLERY WHERE ALCOHOL HAS BEEN MADE WITH PASSION FROM THE VERY BEGINNING. FOR THE LAST 134 YEARS, WE HAVE BEEN PRODUCING VODKAS OF THE HIGHEST QUALITY IN THE SAME HISTORICAL PLACE.

- The water used for the creation of our vodkas comes from deep water wells located far beneath the distillery.
- In our production proces we also use carefully selected grains and macerates based on traditional recipes.
- The highest quality of the spirit that we are famous for is quaranteed by the unique in European scale rectification apparatus which is Italian crafted machine - Mussi, operated by experienced staff.
