

Cookies Policy

Since the privacy policy of the users of our <https://torunskiewodki.pl> online service is of great importance to us, we are displaying a document on the policy of cookies which presents the principles of processing, collecting and using information about service users.

Cookies – what are they?

Cookies are files which contain information data, chiefly text files, which are stored on your end device, such as the personal computer, laptop or smartphone.

Cookies are widely used in order to ensure proper or more effective functioning of websites. They also provide the owner of the website with certain information.

They are not used for identifying users.

Types of cookies

There are two dominant types of cookies. 'Session' cookies, i.e. temporary files which are stored in the browser's memory until its closure. 'Persistent' cookies on the other hand remain in the browser's memory for longer. They facilitate the browsing of frequently visited websites. The duration of their storage will depend on your browser settings.

Why do we use cookies?

With help of cookies:

- the content of websites is adjusted to your preferences and individual needs, e.g. language, colour, layout, etc.;
- anonymous statistics as to the frequency of visits and methods of using the website are created, which enables the improvement of structure and content;
- logging in is recorded in all available subsites so you don't need to enter the login and the password each time;

What cookies are used in the service?

We use the following types of cookies in our service:

- analytical

- **_ga, _gat, gid** – cookie stored by Google Analytics
 - **1P_JAR, NID, CONSENT, DV, IDE** - remarketing Google;
- functional – **SID, HSID, APISID, SAPISID, SSID, OGP** – cookie stored by Google Maps;
